charlotte center for legal advocacy

justice lives here.

Our mission is **to pursue justice** for those in need.

Our vision is **to build a just community**,
where all people are treated fairly and have access
to legal representation to meet their basic human
needs of safety, security and stability.

Charlotte Center for Legal Advocacy helps people who cannot afford to pay for legal help when they need it. Without a lawyer's help in civil legal problems, families lose financial support, health care, housing, safety and opportunity.

**We don't just help our neighbors in need.
We're building a stronger community.**

We provide civil legal services to ensure fairness for ALL.
We fight for changes in laws that improve the lives of low-income people.

We help 3,500 families each year facing problems
of safety, housing, health and income, but more than 300,000
Mecklenburg County residents could get help from our services.

the need is everywhere.

that's why **Charlotte Center for Legal Advocacy** is here,
serving as a tireless champion for our community,
fighting for fairness, confronting poverty at its core,
ensuring the basic rights of all.

justice lives here.
